

INDUSTRIAL WORK PLATFORMS

Elevate personnel securely with your forklift and a Star Industries Industrial work platform. It's safer and faster than ladders and less expensive than time consuming scaffolding.

- Work comfortably in the safety of a full guard rail system
- Safer than ladders and any other 'make-shift' platform
- Platform frees both hands to get the job done faster

FEATURES

- 1,000 lbs. capacity
- Heavy Duty Construction
- Secures to forks with simple "Positive Pin Locking System"
- Front mid rail raises for entrance (no gate to be left open)
- Built-in 84" high Mast Protection Screen (upper half removable for transportation & storage)
- Integral full perimeter toe board
- Accepts forks up to 2 3/8" thick x 6" wide
- Safety lanyard anchor points
