# SAFETY LOADING PLATFORM

The Star Industries Safety Loading Platform is an attachment needed in every rental yard. Simply slide it on to the forks and one person can effortlessly load and unload heavy and awkward rental equipment quickly and safely.

- Shortens customer wait time
- Cuts labor costs
- Prevents back injuries
- Reduces damage to equipment

FEATURES

- Fixed 15" Ramp for easy loading
- End and Side Fork Pockets: pick up platform from either direction
- Slots for standard 2" straps to secure load when needed
- Simple Retaining Bar keeps load from rolling or sliding off
- Large 48" x 48" deck handles most all small-to-medium equipment
- Rugged heavy-duty construction ensures durability for years to come
