

MINI VERSA RAKE

Replace a heap of bulky and expensive attachments such as rock buckets, landscape rakes, screening buckets and planers with Star Industries all-in-one Versa Rake. It's the ultimate surface prep tool for landscape prep and job site clean-up.

- ➔ Replace multiple attachments with one attachment that can do it all
- ➔ Perfect for removing rock, debris and vegetation
- ➔ Material spreading, landscape preparation and more

FEATURES

- ➔ Screening bars can be adjusted to screen out material down to 1/2"
- ➔ These freely rotating rods also facilitate even spreading of a wide variety of base materials
- ➔ The box, blade, and screening bars are built from hardened steel for extra-long life
- ➔ Universal Skid-vSteer Quick-Tach
